

How to registration and payment?

Example of ISCIT2024 registration steps

1) Go to the website iscit2024.ecti-thailand.org. Click on “Registration” tab or “Register” button

The rate table on the webpage shows you 6 rates of registrations.

A regular/member registration covers one (1) presented paper. A student registration (at the time that the student submit the paper) covers one (1) presented paper.

The member registration is offered for IEEE, IEICE and ECTI members, and requires your membership number during the registration process. The student registration is offered for students, and requires a scanned or photo of the current student ID card during the registration process.

The overseas participants should pay in US dollars (USD) by credit card, while Thai participants are encouraged to pay in Thai Baht (THB) by bank transfer.

Registration Fee
